

Medicaid Matters to Texas's 26th Congressional District

Medicaid provides essential health care coverage to 64,399 in TX-26.

Medicaid is vital for children, seniors and hardworking families. Cutting funding for the program would result in loss of coverage for individuals and families, destabilize hospitals and other health care providers and lead to higher costs for TX-26 residents.

Medicaid Is a Vital Coverage Option

People across TX-26, including hardworking families, children, seniors, disabled adults and caregivers, rely on Medicaid for access to critical health services and care.

The Modern Medicaid Alliance is committed to ensuring Medicaid remains strong for the millions of Americans who rely on it every day. Join us in urging policymakers to protect Medicaid and the essential role it plays in creating a healthier, stronger TX-26.

About the Modern Medicaid Alliance:

The Modern Medicaid Alliance is a partnership between Americans who value Medicaid and more than 100 leading advocacy organizations representing patients, health care workers, children, older adults, people with disabilities, pregnant and postpartum women and health insurance providers.

Our mission is to educate policymakers and the public about the benefits of Medicaid to the American people in terms of cost savings, health outcomes and social impact and to highlight how Medicaid is innovating in the delivery of care — especially for America's most vulnerable citizens — and accountability of the program.
